SUMMARY

Hi !! I am Arnab, a B. Tech undergraduate in Computer Science Engineering in Artificial intelligence and Machine Learning at Institute of Engineering & Management, Saltlake, Pursuing My Passion for Programming. Technology excites me and I am always in awe of the change it drives in the world. Certain skills that I am learning with include Data Structures and Algorithms, Web Development, C++ & Python. And what I might lack in skills I make up for with my determination to learn.Outside of tech, I am a music lover, a singer and have spent my childhood days playing cricket and football.

EXPERIENCE

Intern

Scaler School of Technology

📅 06/2024 - 09/2024 📍 India

The Young Innovators Internship Challenge (YIIC) by Scalar School of Technology equips young students with hands-on experience and innovative skills in the technology sector. Participants engage in real-world projects, guided by experienced industry mentors, enhancing their technical proficiency and problem-solving abilities. The program emphasizes both technical and soft skill development, preparing participants for future tech careers. In addition to project work, the YIIC program offers workshops and seminars on the latest technology trends, ensuring a well-rounded educational experience. Networking opportunities allow interns to connect with industry professionals and peers, expanding their professional network. Overall, the YIIC aims to nurture young talent and foster a new generation of tech innovators and leaders.

- Highlight your accomplishments, using numbers if possible.

EDUCATION

Bachelor of Technology - BTech, Computer Science Engineering in Artificial Intelligence and Machine Learning

Institute Of Engineering and Management
